**Are you looking for food safe products? Boise Western Corporation has a variety of food grade and sanitizing products to support your business, here are a few of our new products and Best Sellers!**

### BWC FOOD GRADE SILICONE SPRAY (AT-590)

- Silicone-based food grade lubricant
- Use as a lubricant, release agent, water repellent, protective coating & polish
- Use on food processing equipment as a protective anti-rust film
- Use as release agent on gaskets in locations in which there is exposure of the lubricated part to food
- Safe for incidental food contact on machinery used for producing, manufacturing, packing, processing, preparing, treating, packaging, transporting or holding food
- Heat stable from -40°F to 392°F and contains no chlorinated solvents
- 12 X 11 oz. Net Wt. / Case

### BWC SANI-LUBE FOOD EQUIPMENT LUBRICANT (AT-945)

- Super pure, food grade oil
- Lubricates rings, slides, seals and other food equipment parts that may have incidental food contact
- Provides thin, water resistant film
- Contains no silicones or solvents – only food grade ingredients.
- **NSF Certified**
- 12 – 16 oz. Net Wt. / Case

### SANITIZING PRODUCTS

#### **WESCODYNE GERMICIDE (LS-NJ138)**

Detergent disinfectant effective on a broad range of bacteria

Wescodyne Germicidal Detergent is an iodophor based detergent disinfectant with a broad range of activity against bacteria including TB (Mycobacterium tuberculosis), viruses including HIV-1 (AIDS), and fungi. Recommended for use on walls, floors, counter tops, rest rooms, shower areas, refuse containers, and other hard non-porous environmental surfaces. It can also be used to sanitize glasses, dishware, pots, pans, and utensils in food service operation and to sanitize previously cleaned food contact surfaces. (4 X 1 Gal. / Case)

#### **SANITIZING SPRAY - FOOD CONTACT SURFACES (LA-169)** Sanitizer spray for previously cleaned food contact surfaces

Surface Sanitizing Spray is designed for use in industrial kitchens, food processing plants and other areas where sanitization of food contact surfaces is of prime importance. This product will sanitize previously cleaned and rinsed, non-porous, food contact surfaces in 60 seconds without requiring a water rinse. Can also be used to sanitize the shells of egg when used as directed. **NSF D2 certified.** (12 X 1 Qt. / Case)

#### **SURFACE SANITIZING WIPES - FOOD & NON-FOOD**

No rinse surface sanitizing wipes - food & non-food

No rinse surface sanitizing wipes are non-woven and pre-saturated with a versatile broad-spectrum sanitizer that has multiple uses on a wide variety of non-porous food and non-food surfaces. This product was tested in accordance with AOAC methods and meets EPA requirements for sanitizing previously cleaned, food-contact surfaces. Available in two configurations:

- **DA-1566 – 100 CT CANISTER** - Use with the wall-mount, canister holder for Surface Wipes (EA-9111). (6 X 100 ct / canister / case)
- **DA-1566R – 250 CT REFILL BAG** - Use with wall-mount, center pull dispenser for Surface Wipes (EA-9123). (2 X 250 ct refill bag / Case)

#### **BIODET ND-32 DISINFECTANT (LI-R122X)**

Disinfecting scented floor cleaner

Multipurpose, neutral pH detergent and deodorant cleans, disinfects and deodorizes in one step. For use on hard, nonporous surfaces. Bactericidal, virucidal, fungicidal and mildewstatic. Effective against HIV-1 (AIDS virus), hepatitis B and C, influenza A, herpes I and II, staph, pseudomonas and salmonella, as well as veterinary applications such as pseudorabies and canine distemper. Available Lemon or Pine Scented. Economical dilution (1:32). Super concentrated. (4 Gal. / Case)

- **BIODET ND-64 CONCENTRATED DISINFECTANT – LEMON (LI-R272)** economical (1:64) dilution. (4 Gal. / Case)

### CLEANERS / DEGREASERS / DEFOAMERS

#### ENVIRO-TERRA CONCENTRATE (LA-135X)

- As mild as dish soap, with the performance of an acid
- Safe acid-replacement cleaner with a 1 pH
- Removes rust, scale, lime, mold, grease and beerstone from virtually any surface
- Non-toxic, non-corrosive, non-fuming and biodegradable
- Available in 4 X 1 Gal. / Case; Also available in ready-to-use and Heavy Duty Concentrate 12 Qt. / Case and larger sizes

**BWC offers a wide variety of products. See our catalog for a more extensive product list.**

### TRIPLE ZERO CLEANER / DEGREASER (LA-421X)

- BUTYL-FREE and safe but potent cleaner / degreaser
- One the safest industrial strength multipurpose cleaners / degreaser available today.
- It rates a zero in the three NFPA categories of health, flammability and reactivity, yet it's strong enough to dissolve dirt, grease, oil, food deposits and stains.
- Deodorizes as it cleans with a fresh, pleasant fragrance.
- Available in 12 X 1 Qt. / Case or 4 X 1 Gal. / Case and larger sizes

### BWC HDC-115 CLEANER/DEGREASER (LF-220X) *Everyone loves our "Blue Cleaner"*

- BWC's proprietary formula is specifically designed for use in commercial & institutional cleaning and is great for any general cleaning or degreasing task
- Use it to clean equipment, mop waxed floors, clean woodwork and walls, remove greasy buildup on non-food contact surfaces in kitchens, clean greasy spots from carpets, and remove black heel marks from flooring
- Available in 4 X 1 Gal. / Case, 5 Gal. Pails and 55 Gal. Drum

### OVEN & GRILL CLEANER (AT-460)

**NSF certified** citrus fortified oven and grill cleaner

*Heavy foam cleaner that clings to oven surfaces and allows extended time to cut through baked-on food, grease, and carbon. Cleans most soils without scrubbing. Citrus fortified to improve cleaning power and mask necessary caustic additives. Effective on cold ovens or even faster on preheated ovens to 200°F. (12 X 18 oz. Net Wt. / Case)*

### METAL CLEANER AND POLISH (formerly STEEL SHINE) (AT-142) **NSF Certified** Water-based metal cleaner and polish

*Economical and environmentally sound solution aerosol for metal polishing. Formulated as a light cream containing food grade ingredients. Removes tough, oil-based stains, water marks, spots, and stains from all metal surfaces. Odorless cream clings to vertical surfaces and is safe for use in confined areas such as elevators. Perfect for stainless steel surfaces that may contact water such as drinking fountains and restroom surfaces. Leaves no greasy film. (12 X 16 oz. Net Wt. / Case)*

### DELETE FOAM DOWN - FOOD GRADE (LF-543001)

General purpose, food grade defoaming agent

*A stable silicone emulsion for use as a general purpose defoaming agent in food processing plants. This product is extremely effective in preventing foam generation. An excellent choice for rendering operations, tank cleaning and fish processing. (5 Gal. Pail)*

### GLASS CLEANER - GENERAL PURPOSE (LA-202)

**NSF C1 certified** ammoniated RTU glass cleaner

*Ready-to-use glass cleaner that provides rapid, no-streak cleaning of all glass surfaces, tile, porcelain and plastic. (12 Qts. / Case)*

- **BWC SHOWCASE-GLASS CLEANER (AT-428)**

Foaming aerosol industrial glass cleaner (12 X 19 oz. Net Wt. / Case)

## DRAIN MAINTENANCE

### BIO-ACTION (LA-528)

**NSF L2 certified** thickened drain opener, maintainer, build-up remover

*BIO-ACTION is a non-caustic, non-acidic drain opener, maintainer and build-up remover. It uses multi-cultured bacteria and free enzymes to keep drains free-flowing and also prevents future clogs and build-ups. (12 pints / case)*

### L.E.A.D. (LFT-18604 / LFT-18655)

Liquid enzyme and digestant

*L.E.A.D. (Liquid Enzyme And Digestant) is a suspension treatment of specially developed synergized bacteria that are aerobic and anaerobic in nature. Whenever soiled waste and heavy greases accumulate in a food service plumbing system, L.E.A.D. will build colonies of specially bio-engineered bacteria producing enzymes designed to break apart food for bacterial digestion, the end products being harmless carbon dioxide and water. L.E.A.D. is extremely effective in food service & kitchen applications. (Available in 4 X 1 Gal. / Case or 55 Gal. Drums)*

## EQUIPMENT MAINTENANCE

### BWC SAFETY FLUSH (ATS-803)

**NSF certified** Electrical equipment & contact cleaner

*A high dielectric, high purity, rapidly evaporating, non-flammable aerosol spray contact and circuit board cleaner. Specially formulated for removing oil, grease, condensation, dust, and other particulate matter from sensitive electronic parts. Quick drying formula will not harm most plastics, paints, or rubber. Includes extension tubes for easier application to remote areas. (12 X 10 oz. Net Wt. / Case)*

### WHITE FOOD GRADE GREASE (DT - 598)

**NSF certified** high purity white grease

*High purity grease that meets FDA and USDA requirements. Outstanding load carrying ability and a wide temperature range performance enabling one grease to meet nearly all requirements of the food industries. Excellent water and steam resistance. Inhibits rust and oxidation. Temperature stability to withstand both high & low temperatures common to the food processing industry (0°F to 450°F). (10 X 14 oz. tubes / case)*

## HAND CARE PRODUCTS

### BWC CITRA CLEAN HAND CLEANER (LA-4402)

Waterless citrus hand cleaner with pumice

### BWC NATURALLY CLEAN HAND CLEANER (LA-4432)

Waterless heavy-duty hand cleaner w/o grit

### BWC SANITIZING GEL (LA-2702)

Waterless germ killing sanitizer with aloe

**Get a FREE HD Dispenser for BWC's CITRA CLEAN or NATURALLY CLEAN or two Refillable Wall Dispensers for BWC's Sanitizing Gel when you purchase 4 cases.**

*Industrial Maintenance and Janitorial Chemicals*
